Per-piece standard pricing. Final pricing confirmed after inspection.

Maintenance pricing applies only if we polished the truck within the last 12 months, or as determined during in-person inspection.

**20% discount applies to any service performed every 6 months.**

Restoration: wheels removed, mirrors spun.

Show Shine: wheels, mirrors, visor, and steps removed; fuel tanks spun to polish visible underside areas.

**Typical Full-Truck Ranges (Guideline Only):** \$750-\$1,200 maintenance • \$1,500-\$2,750 sand & polish • \$3,000-\$5,000+ show shine

**Vanity & Custom Parts:** Ask us about our CNC'd parts. We also offer quality used, re-manufactured, and new visors, fenders, bumpers, etc.
